

CIRCLES OF GIVING

Introducing Circles of Giving

Circles of Giving members provide annual leadership gifts that advance Arizona Musicfest's commitment to **enrich our community** by presenting exceptional concerts, youth performances and lifelong learning programs.

Members of the **Circles of Giving** make a valuable investment in Musicfest, deserving of special benefits. These benefits provide a higher degree of engagement and involvement in performances and events, and a behind-the-scenes look at the artists and creative processes that inspire us. By sharing our vision and investing in Arizona Musicfest, you join a community dedicated to **bringing the joy of music to all**.

Alternatively, you can join our **Community of Support** by making a one-time or recurring gift in an amount under \$1,000. Every donor makes a difference and everything from performances on our stages to the youth and education programs we deliver is made possible by the generosity of our Musicfest family of supporters.
