Musical Passport

Listen to the Musical Passport String Quartet playlist [HERE](#) and select your favorite piece. Write a brief paragraph about your favorite, or draw a picture that describes the piece.

Passport:

The music on the playlist was written by composers from all over the world, representing their countries and cultural traditions. Music can take us on a journey to hear the world from different perspectives, even though all the music below is for string quartet. The table below contains the regional information for each piece and composer. Add the country of each composer to the table below:

	Piece Title	Composer	Country	State/Region	City/Region
1	<i>Married Life</i> from <i>Up</i>	Michael Giacchino		New Jersey	Burlington
2	String Quartet No. 1, Op 18, III	Ludwig van Beethoven		Westphalia	Bonn
3	String Quartet No. 1, II	Alberto Ginastera		Buenos Aires	Buenos Aires
4	<i>Peat Dance</i> from <i>Sekstur</i>	Danish String Quartet		Vendsyssel	Aalborg
5	<i>Zaghala</i>	Islam Chipsy		Cairo Governorate	Cairo
6	<i>Jasmine Flower</i>	Zhou Long		Beijing Municipality	Beijing
7	<i>Believer</i>	Imagine Dragons		Nevada	Las Vegas

Use the pages below to explore where this music came from (either the hometowns of the composers or, in the case of the *Peat Dance*, the originating region of the tune):

- 1) Refer to the table above and draw a star in each country below to indicate where each piece came from (for example, draw a star on Cairo in Egypt).
- 2) Take a look at the world map and trace your travels by drawing arrows from each country to the next.
- 3) You can continue your exploration by mapping the distance between each country online by visiting [TimeandDate.com](https://www.timeanddate.com/worldclock/distance.html) with your family:
<https://www.timeanddate.com/worldclock/distance.html>. Enter the locations you're going between and you can see just how far you traveled through the playlist!
